At Trinity University, we create connections.
We are a private liberal arts and sciences institution in San Antonio, Texas, where our 2,600 students discover, grow, and become visionaries to make the world a better place. We confront global challenges and challenge the status quo.

We are confident. We are curious.
We are catalysts. And we are Tigers.

Our Pathways curriculum integrates conceptual and experiential learning. Students may also participate in five pre-professional programs and develop their own interdisciplinary majors.

Trinity University has been ranked #1 in the West by U.S. News & World Report for 26 consecutive years. That’s more than a quarter of a century of excellence in teaching, research, and educational value. Other rankings include:
Trinity’s **2,606 undergraduate and graduate students** come from 48 states and 65 countries. The first-year class has an average **ACT of 30.2** and a mean high school recalculated **GPA of 3.6**. Underrepresented students make up nearly 36 percent of the student body and 13 percent of our students are first-generation.

*Underrepresented classification refers to students who are black or African American, Asian, Hispanic/Latino, American Indian or Alaskan Native, Native Hawaiian or Pacific Islander, or anyone identifying as two or more races.*

Students learn from 260 **full-time faculty members**, all of whom hold doctoral or terminal degrees in their field. **Trinity faculty** were ranked **#6 in the nation** and **#1 in Texas** as “Top Faculty” by the 2016 *Wall Street Journal / Times Higher Education* College Ranking, which cited faculty research productivity and opportunities for collaborative learning.

Trinity University sponsors 18 **intercollegiate varsity sports**, nine each for men and women. Seventeen teams compete in the Southern Collegiate Athletic Conference (SCAC), and football is a member of the Southern Athletic Association (SAA). Visit [trinitytigers.com](http://trinitytigers.com) for highlights.

An urban oasis in the heart of San Antonio, America’s seventh largest city, Trinity’s campus encompasses **125 acres** of red brick buildings, native live oaks, well-kept grounds, and sparkling fountains.

The **Center for the Sciences and Innovation** (CSI) encourages and promotes an **interdisciplinary approach** to research and science education.
